The National College

Dear Parent/Carer,

As you may be aware, Hamstel Junior School is a member of The National College – a multi-award-winning online training provider for staff and parents.

What does this mean for you?

As part of our membership, The National College provides dedicated training and resources for parents and carers – particularly, around online safety and keeping children safe online.

Online safety advice on any topic

Our staff teach children about the risks online during computing and PSHE lessons, but with the internet so readily accessible, the most effective approach to online safety requires both the school and parents. That's why you've now got access to **hundreds of courses, explainer videos and online safety guides** to support your awareness of the online world. Topics range from understanding apps like TikTok and Instagram to recognising the signs of online harm and what you can do to help.

Sign up is easy

Signing up to the platform is simple. You can use the following link or the QR code at the bottom of this letter: <https://nationalcollege.com/enrol/hamstel-junior-school>. Add your details and choose 'Parent/Carer' as your user type. You'll then have access to all the training and resources.
