

29th November 2024

Football at Hamstel Junior School Year 5 (Girls and Boys) and Year 4 Girls

Dear Parent/Carer,

We wrote to you earlier in the year to explain how we are arranging football at Hamstel Junior School this year. We have adapted our arrangements to ensure as many of our children get access to football coaching as possible.

Year 5 girls and boys and year 4 girls will have access to our after-school football club for next half term.

Club Dates	Times
Tuesday 7 th January	3:30pm - 4:30pm
Tuesday 14 th January	3:30pm - 4:30pm
Tuesday 21 st January	3:30pm - 4:30pm
Tuesday 28 th January	3:30pm - 4:30pm
Tuesday 4 th February	3:30pm - 4:30pm
Tuesday 11 th February	3:30pm - 4:30pm

Training sessions will be open to children of all footballing abilities. They will be led by our teachers as well as coaches from Southend United Community Trust. As with all our clubs, places are limited so will be allocated on a lottery basis should the number of places be exceeded. Places at this club are free.

Where the opportunities arise, we will be looking for as many of our children as possible to have the experience of representing the school in games against other schools. This may be in the form of tournaments that are organised locally or friendly games against other schools. Teams will be chosen from the children who attend the club sessions for their year group. Where the Southend Primary School Sports Association tournaments are advertised as Years 5/6 and Years 3/4, as in the past, we will give priority to the children in years 6 and 4.

To request a place for next half term's football sessions please complete the [Online Football Form](#) by **Wednesday 4th December**. You will receive an email if your child is allocated a space.

Thank you for your continued support.

Yours sincerely

The Hamstel PE Team
