

# Maths Curriculum Overview

Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<b>Year 3</b>					
Place Value to 1 000	Multiplication and Division	Length	Money	Picture Graphs and Bar Graphs	Angles
Addition and Subtraction	Further Multiplication and Division	Mass	Time	Fractions	Lines and Shapes
		Volume and Capacity			Perimeter of Figures
<b>Year 4</b>					
Numbers to 10 000	Multiplication and Division	Graphs	Decimals	Mass, Volume and Length	Geometry
Addition and Subtraction within 10 000	Further Multiplication and Division	Fractions	Money	Area of Figures	Position and Movement
		Time			Roman Numerals
<b>Year 5</b>					
Numbers to 1 000 000	Whole Numbers: Multiplication and Division	Graphs	Decimals	Position and Movement	Area and Perimeter
Whole Numbers: Addition and Subtraction	Whole Numbers: Word Problems	Fractions	Percentages	Measurements	Volume
			Geometry		Roman Numerals
<b>Year 6</b>					
Numbers to 10 million	Measurement	Area and Perimeter	Graphs and Averages	Revision Programme	Return to Topics
Four Operations on Whole Numbers	Word Problems	Volume	Negative Numbers		
Fractions	Percentages	Position and Movement	Revision Programme		
Decimals	Ratio	Geometry		SATS	
	Algebra
