Year 5 Residential Trip to Skreens Park

Dear Parent/Carer,

We are very pleased to be able to, once again, offer our year 5 children the opportunity of an overnight residential trip to Skreens Park near Chelmsford in the summer term. The children will spend two days and one night away on the trip in the week commencing Monday 19th May 2025. We will be running our own programme of events as well as enjoying some of the activities available on site. Please note we will not be doing the same adventurous activities that are offered on the year 6 residential trip next year – they are, and will remain, two completely different trips. Further information regarding Skreens Park can be found on their website:

<http://www.skreenspark.org.uk/>

The classes will be going to Skreens Park on the following days:

Monday 19 th May → Tuesday 20 th May	Tuesday 20 th May → Wednesday 21 st May	Wednesday 21 st May → Thursday 22 nd May	Thursday 22 nd May → Friday 23 rd May
5Wa	5W and 5L	5Mu	5BK

The trip is a wonderful opportunity for the children to develop their independence and confidence as well as their ability to socialise and work collaboratively with others before starting year 6. More information about the trip can be found on the [Year 5 Skreens Park Residential](#) area of our school website.

The total cost of the trip will be £90 which includes travel by coach, 3 meals, accommodation and a full programme of activities.

Payment schedule - all payments must be made via ParentPay according to the schedule below:

Payment Due	Amount
Tuesday 25 th February (non-refundable deposit)	£30
Thursday 27 th March	£30
Friday 25 th April	£30
Total	£90

Alternatively, the whole cost can be paid in one payment through ParentPay.

Please note, your child may lose their place if the final balance is not paid before the end of April. To make the trip financially viable we need a minimum number of children. There is also a maximum number of children we can take and if this is exceeded, places will be allocated on a first come, first served basis.

We hope as many children as possible will be able to join us for what promises to be an amazing experience.

Yours sincerely

Mr T Goddard
